^a Jufshell. See alſo next number. *Juſſell*, Mf. Ed. 21, where
the Recipe is much the ſame. Lat. *Juſcellum*, which occurs in the
old ſcholiaſt on Juvenal iv. 23; and in Apicius, v. 3. Vide Du
Frefne, v. *Juſſellum* and *Juſcellum*, where the compoſition conſiſts
of *vinum*, *ova*, and *faguna*, very different from this. Faber in
Theſauro cites *Juſcellum Gallinæ* from Theod. Prifcianus.

N. B. N^o ^{xx} II. is omitted both here and in the Contents.

^b Jufshell enforced. As the *Charlet yforced* here referred to was
made of pork, compare N^o 40 with N^o 39. So in Theod. Prifcian
we have *Juſcellum Gallinæ*.
