

THE PREFACE.

*test Weather, without the least Damage
by Foxing or other Taint.*

*The Benefit of Brewing entire Guile
small Beer from fresh Malt, and the ill
Effects of that made from Goods after
strong Beer or Ale; I have here exposed,
for the sake of the Health and Pleasure
of those that may easily prove their ad-
vantage by drinking of the former and re-
fusing the latter.*

*By the time the following Treatise is
read over and thoroughly considered, I doubt
not but an ordinary Capacity will be in
some degree a better Judge of good and
bad Malt Liquors as a Drinker, and have
such a Knowledge in Brewing that former-
ly he was a stranger to; and therefore I
am in great Hopes these my Efforts will
be one principal Cause of the reforming
our Malt Liquors in most Places; and that
more private Families than ever will come
into the delightful and profitable Practice
of Brewing their own Drinks, and thereby
not only save almost half in half of Ex-
pence, but enjoy such as has passed thro'
its regular Digestions, and is truly plea-
sant, fine, strong and healthful.*

I question
